In our classroom, children work at their own pace and master basic skills at their own level of ability, whilst developing a love of learning. Includes our memorable Graduation Event, a major milestone in your child's early education!

“

Mellowes has always been a few steps ahead of the rest, as long as I have known them - over a decade!

They are perfectionists, and obsessive about your child's safety and happiness. I cannot praise them enough. They are the TOP in their field.
